Submitted together with S.No. 18829.

2. The Dharwar Elec. Supply Coy. Ltd P-15 of C.S. requests permission, under section 27 of the I.E. Act 1910, to supply energy to Govt. Agricultural College at Yettinagud which is situated outside the coy's area of supply. According to second proviso to Section 27 of the I.E. Act the licensee has to submit a copy of agreement entered into & with the Consumer for the supply of power. The Supply Coy. P-15 of C.S. states that it has submitted the necessary agreement to the College authorities. The receipt of the agreement may be awaited.

3. The Supply Coy requests Govt to grant provisional permission, in the meanwhile, to supply energy to the Agril. College in view of the urgency of its requirement. There seems no objection to grant the necessary provisional permission in consultation with the El. Engr. to Govt. The draft put up for approval may issue after rec. to the El. Engr. for remarks if any.

2. These papers deal with the Dharwar Elec. Supply Coy's request for permission to supply energy to Govt. Agricultural College at yellingud which is situated outside the Coy's area of supply. Provisional permission has been already granted under G.L. at p. 17 of C.S. and the question is now to grant the final permission. The Supply Coy. has furnished (p-27 of C.S) the agreement called for in G.L. at p. 19 of the C.S. (p-22-250K) As is usual in such cases, a map, showing the place where the supply is given, is now to be forwarded to the Commr., S.D. for his remarks in consultation with the local authorities. The Supply Coy. has furnished two blue prints with its letter at p. 13 of the C.S. The blue prints were kept with this file which was kept in await ~~of~~ 16-8-49 pending the receipt of the necy. agreement. It is now found that the 2 blue prints are detached from the file and they are not forthcoming inspite of a careful and thorough search on the part of the

Br.

Br. Searcher. The F.B. may be requested to make further search for the blue prints. As the searcher found the file in the awaiting gap without the blue prints accompanying it, possibly they have been detached while handling the papers and got mixed up with other papers.

to F.B.

7/11/49

3/11/49

3. It is brief that file no. 488/48 was in await. The movement card in respect of this file shows that the accomplo were with the file till it was sent to J.S & back both on 26-5-49. The accomplo however were not received along with the file for await on 15-6-49. In spite of this a search for the blue prints was made in the F.B but they are not in this Br.

4.11.49

It is very clear that the blue prints are missing from this file. The C.B.I & the F.B. do make every effort to trace the blue prints. In the meanwhile with a view to avoid delay in sitting off the cases, the Cog. may be requested to supply fresh blue prints.

Date.	To whom sent.	Notes and instructions.

PUBLIC WORKS DEPARTMENT

Bombay Castle, 23rd November, 1926.

No.2889. - In exercise of the powers conferred by section 3 (1) of the Indian Electricity Act, IX of 1910, the Governor in Council is pleased to sanction the following licence under the aforesaid Act being granted to Rao Bahadur Gopal Anant Giri, Dharwar, for the supply of electrical energ in the areas with the powers and upon the terms and condition specified below:-

THE DHARWAR ELECTRIC LICENCE, 1926.

LICENCE for the supply of energy granted by the Government of Bombay, under the Indian Electricity Act, 1910, as amended.

Licence is hereby granted to Rao Bahadur Gopal Anant Giri, Dharwar, to supply energy in the area with the powers and upon the terms and conditions all specified below.

1. SHORT TITLE. - This licence may be cited as " The Dharwar Electric Licence, 1926. "

2. INTERPRETATION. - The several words, terms and expressions to which by the Indian Electricity Act, 1910, as amended or by the Rules thereunder meanings are assigned shall have in this licence the same respective meanings, provided that in this licence:-

(1) the Act shall mean the Indian Electricity Act, 1910, as amended;

(2) the expression " the licencee " shall mean and include the said Gopal Anant Giri and his permitted assigns;

(3) the expression"deposited map " shall mean the plan of the area of supply hereinafter specified which is deposited with Government in pursuance of the rules under the Act, which plan is signed for the purpose of identification by the Joint Secretary to the Government of Bombay in the Public Works Department and by the applicant under the name and style of Gopal Anant Giri;

(4) the expression " the commencement of this licence"

shall mean the date of the notification by the Government of Bombay in the BOMBAY GOVERNMENT GAZETTE that this licence is granted.

3. SECURITY. - (1) The period within which, under Clause 1 (a) of the Schedule to the Act the licensee shall show that he is in a position fully and efficiently to discharge the duties and obligations imposed upon him by this licence throughout the area of supply shall, unless otherwise ordered by the Government of Bombay under that clause, be TWO YEARS from the commencement of this licence.

(2) The period within which under Clause 1 (b) of the Schedule to the Act the licensee shall deposit or secure such sum as therein mentioned, and the sum to be so deposited or secured shall, unless otherwise ordered by Government under that clause, be SIX MONTHS from the commencement of this licence and Rupees Two Thousand respectively.

4.AREA OF SUPPLY. - The area within which the supply of energy is authorised by this licence (the area of supply under the Act) is the whole of the area within the Dharwar Municipal boundary, and also such portions of the Dharwar City Survey as fall without the Dharwar Municipal boundary, together with the whole of the area within the Dharwar Cantonement bundary, the boundaries whereof are delineated in the deposited map.

5. PURPOSE OF SUPPLY. - (1) Subject to the provisions of this licence and the Act and to the Rules thereunder the licensee shall be entitled during the continuance of this licence to supply energy within the area of supply for all purposes and to other licensees for their own purposes and in bulk.

Provided that no supply of energy shall be commenced to be given by the licensee to any owner or occupier of private premises or in bulk to a distributing licensee until the Government of Bombay have approved the form of

requisition to be made by such owner or occupier or distributing licensee for such supply of energy and also the form of written contract or agreement with the licensee to take a supply of energy which is to be executed or entered into by such owner or occupier or distributing licencee and until the Government of Bombay have also approved the amounts of all the miscellaneous charges which the licensee proposes to make against such owner or occupier or distributing licensee incidental to or in connection with such supply.

(2) Clauses V, VI, VII, IX, X, XI of the Schedule to the Act shall wherever necessary be read as expressly added to or varied to the extent set out in the proviso to sub-clause (1) of this clause.

(3) The licensee shall not supply electrical energy to any premises unless the owner or occupier of such premises shall have satisfied the licensee that all work including repairs relating to electric wires, fittings and apparatus on such premises has been carried out by or under the supervision of a licensed electrical contractor or such other person as may be approved by the Electrical Engineer to Government and clause VI of the Schedule to the Act shall be modified accordingly.

6. LIMITS WITHIN WHICH THE SUPPLY OF ENERGY IS TO BE COMPULSORY. (1) The licensee shall within a period of three years after the commencement of this licence execute works to the satisfaction of the Government of Bombay for the purpose of a continuous supply of electric energy throughout such streets or parts of streets as are mentioned below and which are coloured orange on the deposited map:-

(i) From Adaki Oni along Market Road, in the Market itself, and along Taluka Kacheri Galli as far as Mangalwarpeth.

(ii) From Adaki Oni along Market Road and Shilvant Lane, and

(iii) Kamankatta as far as Mangalwarpeth

(iv) From Taluka Kacheri Galli along Mangalwapeth as far as Kamankatta.

(v) From Taluka Kacheri Galli along Panch Kacheri Lane and Shukrawarpeth as far as Lakmanhalli Galli.

(vi) From Panch Kacheri Lane along Jawali-peth to Mangalwarpeth.

(2) The licensee shall submit to the Electrical Engineer to Government reports every six months from the commencement of this licence until the completion of works in the compulsory area specifying progress made.

(3) If the licensee fails to comply with the provisions of sub-clause (1) of this clause the licence may be revoked.

7. THE GENERATING STATION. - The generating or the receiving station as the case may be shall be situated within the area of supply above referred to.

8. LIMITS OF PRICE TO BE CHARGED IN RESPECT OF THE SUPPLY OF ENERGY) The prices to be charged by the licensee for energy supplied by him shall not exceed the maxima set out below or in the case of a method of charge approved by Government under section 23(3) of the Act such maxima as Government may fix on approving the method:-

(1) Metered energy at a rate of eight annas per unit, exclusive of meter rent of one rupee per month.

(2) Unmetered energy at a rate of Rs.2 per month for each twenty watt lamp burning for not more than five hours a day.

(3) A minimum monthly charge, exclusive of any meter rent, of Rupees three per month.

(4) In the case of large consumers contracts may be made for fixed periods at such rates as do not exceed the rate in sub-clause (1) above.

(5) The term 'unit' occuring above shall be deemed to mean the energy contained in a current of one thousand amperes flowing under an electromotive force of one volt during one hour.

9. SYSTEM OF SUPPLY. - (1) The system of supply will be Alternating Current 3 phase, 4 wire, periodicity being 50 cycles per second. The pressure of supply will be as under:-

(a) 230 volts per phase for general purposes, viz., lights, fans, heaters etc.

(b) 400 volts between phases for purposes other than those specified in (a)

(c) Any voltage upto 6,600 volts for feeders and for supplying current to any large consumer for power purposes.

The feeders, distributing mains and service lines may be overhead or underground provided that wherever and whenever required to do so in writing by Government of Bombay such feeders, distributing mains, or service lines shall be laid underground.

Provided that no work or works shall be commenced by the licensee unless and until the method of construction shall have been previously approved in writing by Government.

Provided further that where overhead mains are used they shall be nowhere at a less height than 30 feet from the ground at all crossings and at all places where Taboots are likely to pass during the Mohurram procession.

Provided also that nothing in this licence shall authorize the licensee to use overhead mains at any higher pressure than the medium pressure without the sanction in writing of the Local Government in each case and subject to any conditions or limitations which the Local Government may prescribe.

(2) For the purpose of Rule 61 of the Indian Electricit Rules, 1922, the maximum wind pressure shall be taken as 12.5 pounds per square foot.

10. PURCHASE OF UNDERTAKING. - (1) The option of purchase given by section 7, sub-section (1) of the Act shall be exercisable first on the expiration of 40 years from the commencement of this licence and on the expiration of every

subsequent period of ten years. The percentage of the value to be determined in accordance with and for the purpose of section 7(1) of the Act of the lands, buildings, works, materials and plant of the licensee ~~within~~ therein mentioned to be added under the second proviso of that sub-section to such value on account of compulsary purchase shall be ten per cent. (2) In accordance with section 3, sub-section (2), clause (d)(ii), of the Act, it is hereby declared that the generating station belonging to the licensee and used in connection with the undertaking , or, if energy is bought from any other person or company the receiving ~~station~~ and distributing sub-stations used in connection with the undertaking shall form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

Dated this twenty-third day of November 1926.

Signed by order of His Excellency the Right Honourable the Governor in Council,

K. S. FRAMJI,
JOINT SECRETARY TO GOVERNMENT.

By order of the Governor in Council,
K. S. FRAMJI,

POST BOX No. 5
DHARWAR

No.109/ 5084.

14th March, 1949.

The Secretary to the Government of Bombay,
Public Works Department,
Bombay Castle,
BOMBAY.

Dear Sir,

Re: Dharwar Electric Licence, 1926 -
Extension of area of supply.

We have been asked by the Executive Engineer, Electrical Division, P.W.D., Bombay, to lay service lines and to supply electrical energy to the Government Agricultural College at Yettingud situated at about three miles away from Dharwar.

This extension area falls beyond the area of supply granted to us under the " Dharwar Electric Licence, 1926" a copy of which is enclosed herewith for your ready reference. We request you, therefore, to please sanction the extension of the present area of supply to cover the area bounded by yellow lines in the attached copy of map.

In the accompanying map the present area of supply under the licence is shown bounded by red, blue and green lines. The extension area, for which this application is made, is shown by yellow lines.

The extension area is bounded by the following Survey numbers, namely -

To the North - by Survey No.141A, 141B, 136 and 137.

To the East - by Survey No.10 to 17, 57, 59 and 60 of Yettingud Village.

To the South - by ~~Survey No.~~ Present area of supply bounded by blue and green lines.

To the West - by Dharwar/Belgaum Road along the nala above Survey No.82.

A copy of the map is kept in our office for reference.

Two blue print copies of the map as above are submitted herewith for your approval and sanction, and return of one approved copy to us for our records.

Yours faithfully,
FOR THE DHARWAR ELECTRIC SUPPLY CO. LTD.
CHIEF ENGINEER.

No. 109/16

2nd April, 1949.

The Secretary to the Government of Bombay,
Public Works Department,
Bombay Castle,
BOMBAY.

Dear Sir,

Re: Dharwar Electric Licence, 1926 -
Extension of area of supply.

P 13.

We invite your reference to our application No. 109/5084 dated the 14th March 1949 and have to inform you that we have received a letter No.LRM.26/8037 of 1949 dated the 23rd March 1949 from the Electrical Engineer to Government, P.W.D., Bombay, informing us that the extension of the present area of supply, so as to enable us to supply energy to the Government Agricultural College at Yettingud, would necessitate the amendment of our licence under section 4(3)(b) of the Indian Electricity Act, 1910, which would involve a lengthy procedure to be followed as prescribed by rule 24 of the Indian Electricity Rules, 1937 and consequent delay in the work. He, therefore, suggests that it would be advisable for us to approach the Government for authorization under section 27 of the Indian Electricity Act. Accordingly, we beg to request you to please authorize the extension of the area of supply, under the said section 27 of the I.E.Act, for the area shown by yellow lines in the map appended to our above referred application dated the 14th March 1949 and bounded by the survey numbers as detailed therein.

As per second proviso to Section 27 of the Act, we are required to enter into an agreement with the Agricultural College. The said agreement has been submitted to the Agricultural College authorities for execution, and shall be forwarded to you on its receipt from them.

In the meanwhile, in view of the urgency of the requirements of the Agricultural College, we request you to please grant us a provisional permission to give the supply to the Agricultural College, pending the final sanction under Section 27 of the Act.

Thanking you,

Yours faithfully,

The Dharwar Electric Supply Co. Ltd.

DHARWAR

AGREEMENT

AN AGREEMENT made this FOURTH day of AUGUST One thousand nine hundred and forty NINE between The Dharwar Electric Supply Co. Ltd. Dharwar (hereinafter referred to as the "Company" which expression shall, unless excluded by or repugnant to the context, be deemed to include their successors and permitted assigns) of the one part and
(hereinafter referred to as "the consumer" which expression shall unless excluded by or repugnant to the context include his heirs, executors, administrators and assigns) of the other part.

WHEREAS the Company has agreed to supply and the consumer has agreed to take energy at the premises mentioned in the schedule hereto (hereinafter referred to as "the said premises"), subject to the terms and conditions hereinafter contained.

Now it is hereby agreed by and between the parties hereto as follows:-

1. The Company shall from the Fifteenth day of October 19 49, and during the continuance of this agreement, supply the consumer with the energy required by him for the purpose and up to the maximum quantity specified in the schedule hereto.

2. The consumer shall pay to the Company on demand the cost of so much of any electric supply line as may be laid for the purpose of the supply upon the said premises, and of so much of any electric supply line as it may be necessary to lay for the said purposes in excess of 100 feet from the licensee's distributing main, although not on the said premises.

3. The supply shall be registered by a meter or meters in or upon the said premises which the Company shall provide and keep in order and replace whenever necessary on payment of a monthly rental of annas eight or rupee one per meter according to the nature of the meter. The consumer shall be at liberty at any time to purchase another meter or meters and from and after the purchase thereof the consumer shall be responsible for keeping the same in proper order.

4. The consumer shall pay to the Company for the energy so supplied and registered as aforesaid at the rates specified in the Schedule hereto; Provided nevertheless that at the end of each calendar month during which this agreement is in force the registered consumption of energy shall fall short of the value of the sum of Rs xxxxxxxxxx (xxxxxxxxxxxxxxxx xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx) being the equivalent of such of rates in force for supply of energy, monthly minimum charges and the Surcharge for the time being in force.

guaranteed minimum consumption as is specified in the Schedule hereto, the consumer shall pay to the Company the difference between the registered consumption and the guaranteed minimum consumption at the rate per Board of Trade unit applicable thereto.

5. Readings of the meter or meters shall be taken by the Company once in each month or at such other intervals or times as the Company shall deem expedient and the Company's meter readers shall have access to the consumer's premises at all reasonable times for the purpose of taking such readings. Payment for energy supplied shall be made by the consumer according to the readings of each meter forthwith upon presentation of a bill therefor.

6. Should the consumer dispute the accuracy of any meter not being his own property, the consumer may upon giving notice and paying the prescribed fee, have the meter officially tested by the Company or the Electric Inspector, Bombay, in accordance with section 26 of the Indian Electricity Act, 1910. In the event of the meter being tested by the Company and found to be beyond the limits of accuracy as prescribed, the testing fee will be returned and the amount adjusted in accordance with the result of the test taken in respect of the meter readings of the three months prior to the month in which the dispute has arisen due regard being paid to conditions of occupancy during the month under dispute and during the previous three months. In the event of the test being undertaken by the Electric Inspector, Bombay, and the meter being found to be incorrect, the period during which the meter shall be deemed to have been incorrect, and the amount of energy supplied to the consumer during this period shall be decided by the Electric Inspector, Bombay.

7. The consumer shall, on receipt of a requisition from the Company in this behalf deposit with him the sum of Rs.* Nil as security for the purpose next hereinafter mentioned, and shall on a like requisition from time to time renew or replenish such security in the event of the same becoming exhausted or insufficient. The Company shall be at liberty at any time and from time to time to appropriate and apply any security so deposited as aforesaid in or towards the payment or satisfaction of all or any moneys which shall become due or owing by the consumer to the Company in respect of the supply of energy or otherwise under this Agreement but the provisions in this clause contained shall not prejudice any other remedy to which the Company may be entitled for the recovery of any such moneys. Interest on such deposits shall be paid to the consumer in accordance with the terms laid down in the Company's conditions for the supply of energy.

8. *This agreement shall be in force for a period of not less than two years in the first instance from the date of commencement of the supply specified in clause 1 and thereafter shall continue from year to year until the agreement is determined as hereinafter provided.

9. The consumer shall not be at liberty save with the consent of the Company to determine this Agreement before the expiration of two years from the date of commencement of the supply of energy hereunder. The consumer may determine this Agreement at any time after the said period on giving to the Company not less than one calender month's previous notice in writing in that behalf and upon the expiration of the period of such notice this Agreement shall cease and determine without prejudice to any right which may then have accrued to the Company hereunder; Provided always that the consumer may at any time with the previous consent of the Company transfer this Agreement to any other person and upon

subscription of such transfer this Agreement shall be binding on the transferee and the Company and take effect in all respects as if the transferee had originally been a party hereto in place of the consumer who shall thenceforth be discharged from all liability under or in respect hereof.

10. This Agreement shall be read and construed as subject in all respects to the provisions of the Dharwar Electric license, 1926, and to the provisions of the Indian Electricity Act, 1910 and the rules for the time being in force thereunder as far as the same may respectively be applicable.

The supply of energy under this Agreement is also subject to the following among other provisions of law, namely:

(i) If the consumer fails within seven days after the date of the service thereof upon him to comply with the terms of any notice in writing by the Company requiring him to give security for the purposes mentioned in clause 7 hereof or to renew or replenish any security which may have been given for these purposes but which have become exhausted or insufficient, the Company may discontinue the supply so long such failure continues,

(ii) If the consumer adopts any form of lamp or burner or uses the energy supplied or deals with it in any manner so as unduly or improperly to interfere with the efficient supply of energy to any other person by the Company, or fails to keep in proper order any meter belonging to him by which the supply is registered, the Company may discontinue the supply so long as such lamp or burner is so adopted or the energy is so used or dealt with or the meter is not kept in proper order, as the case may be,

(iii) The Company shall not be bound to give or continue the supply if an Electric Inspector or other competent person appointed by the Local Government is satisfied that the electric lines, fittings, works or any other apparatus within the said premises are not in good order and condition and are likely to affect injuriously the use of energy by the Company or by other persons. Nor will the Company be responsible for any interruption or dimunition in the supply of energy due to occurrences beyond their control,

(iv) If the consumer makes any alterations or additions to any electric wires, fittings works or apparatus belonging to him within the said premises, all such alterations and additions shall be notified to the Company by the consumer before being connected to the source of supply with a view to their being examined and tested,

(v) The consumer hereby agrees and undertakes not to run his motors daily between the hours 6 and 11 p. m. In case of his noncompliance to this condition his installation shall be liable to be disconnected without any notice.

The Schedule referred to above

1. Description of the premises. Agricultural College premises including hostels, residential quarters etc., situated at Yettingud, Dharwar.

2. Purpose for which supply is to be given. Educational purposes

3. Maximum quantity of energy required by the consumer. 15 to 18 K.W.

4. Guaranteed minimum consumption for each period of calender month/s commencing from the day of 19
Not guaranteed.

5. Rate for the supply of Electrical Energy: As per schedule of rates in force for the supply of energy and the Surcharge for the time being in force.

IN WITNESS whereof C.S.Desai for and on behalf of the Company have set their hands and the seal of the Company and Principal, College of Agriculture the Consumer has set his hand hereunto the day and year first above written.

Draft Order

Govt. of Bombay.
P. W. D.
B.C.(Bombay No.1),
May 1950.

No. 488/48. Whereas the Dharwar Elec. Supply Coy. Ltd.,(herein after refd. to as "the Company") being the permitted assigns of the Dharwar. Ml. Licence,1926, (herein after referred to as "the said Licence") applied to the Govt. of Bombay to authorise the Company to supply energy to the Government Agrl.College,Dharwar (herein after refd. to as "the Consumer ") for the College premises including hostels,residential quarters etc., situated at Yettingud, Dharwar,(here in after refd. to as "the said premises") more particularly described in the margin, and which said premises are situated outside the area of Supply as specified in the Said Licence and shown on the plan deposited with Government.

Description of Premises, (to be filled in)

And whereas by an agreement dated the 4th August 1949, made between the company of the one part and the consumer of the other part it has been agreed that subject to the authority of the Govt of Bombay and subject to the terms and conditions contained in the said Licence, the Consumer shall from the date on which the said premises shall be connected to the Company's distribution system, take from the Company a constant supply of energy for a period of not less than two years for any or all the purposes for which the company is authorised to supply energy to other consumers under the said licence.

And.....

And whereas the said premises are not within the area of supply of any other licencee under the Indian El. Act., 1910 (IX of 1910).

Now, therefore, in exercise of powers conferred by Sect. 27 of the Indian Electricity Act., 1910 (IX of 1910) The Govt. of Bombay is pleased to authorise the company to supply energy to the Consumer ~~for~~ at the said premises, which are outside the area of supply as specified in the Dharwar El. Licence, 1926 and for that purpose to lay down or place electric supply lines, subject always to the provisions of the said Act., the rules made thereunder and the terms and conditions of the said licence, as if the said supply were made within the area of supply specified in the said Licence.

GOVERNMENT OF BOMBAY.

PUBLIC WORKS DEPARTMENT.

Resolution No. 488/48.

Bombay Castle (Bombay No. 1), 2nd August 1950.

Letter No. 109/5084, dated the 14th March 1949, from the Dharwar Electric Supply Company, Limited :—

"We have been asked by the Executive Engineer, Electrical Division, Public Works Department, Bombay, to lay service lines and to supply electrical energy to the Government Agricultural College at Yettingud situated at about three miles away from Dharwar.

This extension area falls beyond the area of supply granted to us under the 'Dharwar Electric Licence, 1926' a copy of which is enclosed herewith for your ready reference. We request you, therefore, to please sanction the extension of the present area of supply to cover the area bounded by yellow lines in the attached copy of map.

In the accompanying map the present area of supply under the licence is shown bounded by red, blue and green lines. The extension area, for which this application is made, is shown by yellow lines.

The extension area is bounded by the following Survey numbers, namely—

To the North—by Survey Nos. 141A, 141B, 136 and 137.
To the East—by Survey Nos. 10 to 17, 57, 59 and 60 of Yettingud Village.
To the South—by present area of supply bounded by blue and green lines.
To the West—by Dharwar-Belgaum Road along the Nala above Survey No. 82.

A copy of the map is kept in our office for reference.

Two blue print copies of the map as above are submitted herewith for your approval and sanction, and return of one approved copy to us for our records."

Letter No. 109/16, dated the 2nd April 1949, from the Dharwar Electric Supply Company, Limited. :—

"We invite your reference to our application No. 109/5084, dated the 14th March 1949, and have to inform you that we have received a letter No. LRM 26/8037 of 1949, dated the 23rd March 1949, from the Electrical Engineer to Government, Public Works Department, Bombay, informing us that the extension of the present area of supply, so as to enable us to supply energy to the Government Agricultural College at Yettingud, would necessitate the amendment of our licence under section 4 (*3*) (*b*) of the Indian Electricity Act, 1910, which would involve a lengthy procedure to be followed as prescribed by rule 24 of the Indian Electricity Rules, 1937, and consequent delay in the work. He, therefore, suggests that it would be advisable for us to approach the Government for authorization under section 27 of the Indian Electricity Act. Accordingly, we beg to request you to please authorize the extension of the area of supply, under the said section 27 of the Indian Electricity Act, for the area shown by yellow lines in the map appended to our above referred application dated the 14th March 1949 and bounded by the Survey numbers as detailed therein.

As per second proviso to section 27 of the Act, we are required to enter into an agreement with the Agricultural College. The said agreement has been submitted to the Agricultural College authorities for execution, and shall be forwarded to you on its receipt from them.

In the meanwhile, in view of the urgency of the requirements of the Agricultural College, we request you to please grant us a provisional permission to give the supply to the Agricultural College, pending the final sanction under section 27 of the Act.

Thanking you."

Government Letter No. 488/48-El. (I), dated the 27th May 1949, addressed to the Dharwar Electric Supply Company, Limited :—

"I am to refer to your letter No. 109/16, dated the 2nd April 1949, on the above subject and to request you to expedite the submission of the agreement referred to in the second paragraph thereof. In the meanwhile, in view of the urgency of the matter, Government has no objection to your supplying electric energy *provisionally* to the Government Agricultural College at Yettingud, subject to such orders as may be issued hereafter."

Letter No. F. 109/1320, dated the 18th August 1949, from the Dharwar Electric Supply Company, Limited :—

"In continuation of our letter No. 109/1076, dated 22nd July 1949, we forward herewith the agreement executed by the Principal, College of Agriculture, Dharwar, for supply of electric energy to the Government Agricultural College at Yettingud.

We shall now thank you to kindly let us have the final permission under section 27 of the Indian Electricity Act and return us one copy of the map, submitted with our letter No. 109/5084, dated 14th March 1949, duly signed by you in token of the grant of the permission to the extension of the area of supply."

Government Letter No. 488/48-El. (I), dated the 22nd November 1949, addressed to the Dharwar Electric Supply Company, Limited :—

"With reference to the correspondence ending with your letter No. 109/1868, dated the 16th October 1949, on the subject mentioned above, I am to request you to supply two additional copies of the blue prints which were sent by you with your letter No. 109/5084, dated the 14th March 1949."

Government Memorandum No. 488/48-El. (I), dated the 21st January 1950, to the Commissioner, Southern Division.

Endorsement from the Commissioner, Southern Division, No. M.S.C. 522, dated the 22nd April 1950—Submits the following letter No. POLSR. 2032, dated the 17th April 1950, from the District Magistrate, Dharwar :—

"Reference : Your endorsement No. M.S.C. 522 of 3rd February 1950.

On consulting the local authorities, viz., the Executive Engineer and the President, District Local Board, Dharwar, it is ascertained that there is no objection to the Dharwar Electric Supply Company to extend the area of supply to the Government Agricultural College, Dharwar, and to the Survey numbers under reference. The map received with your above quoted reference is enclosed as directed."

Memorandum No. 6822, dated the 19th May 1950, from the Remembrancer of Legal Affairs.

Government Letter No. 488/48-El. (I), dated the 27th May 1950, addressed to the Dharwar Electric Supply Company, Limited.

Letter No. F. 109/847, dated the 26th June 1950, from the Dharwar Electric Supply Company, Limited :—

"With reference to your letter No. 488/48-El. (I), dated the 27th May 1950, we beg to inform you that the draft order which Government proposes to issue in the matter under section 27 of the Indian Electricity Act, 1910, meets with our approval. Same is returned herewith.

As desired, four copies of the blue print map mounted on cloth are submitted herewith.

Kindly acknowledge receipt."

RESOLUTION.—In exercise of the powers conferred by section 27 of the Indian Electricity Act, 1910, Government is pleased to issue the accompanying order authorising the Dharwar Electric Supply Company, Limited, being the permitted assigns of the Dharwar Electric License, 1926, to supply electric energy to the consumer mentioned in that order subject to the terms and conditions specified therein.

2. Government is further pleased to authorise the Secretary to the Government of Bombay, Public Works Department, to sign on behalf of Government the order as well as the map referred to therein.

3. The order should be notified in the *Bombay Government Gazette.*

By order of the Governor of Bombay,

(V. W. GOTHOSKAR,)
Deputy Secretary to Government.

PUBLIC WORKS DEPARTMENT.

Bombay Castle (Bombay No. 1), 2nd August 1950.

Order.

No. 488/48.—Whereas the Dharwar Electric Supply Company, Limited (hereinafter referred to as "the Company") being the permitted assigns of the Dharwar Electric Licence, 1926 (hereinafter referred to as "the said Licence"), applied to the Government of Bombay to authorise the Company to supply energy to the Government Agricultural College, Dharwar (hereinafter referred to as "the Consumer"), for the College premises including hostels, residential quarters, etc., situated at Yettingud, Dharwar (hereinafter referred to as "the said premises"), more particularly described below, and which said premises are situated outside the area of supply as specified in the said Licence and shown on the plan deposited with Government.

Description of Premises.—Agricultural College buildings comprising of three main College buildings, two hostel buildings, staff quarters, etc., etc.

And whereas by an agreement dated the 4th August 1949, made between the Company of the one part and the consumer of the other part it has been agreed that subject to the authority of the Government of Bombay and subject to the terms and conditions contained in the said Licence, the Consumer shall from the date on which the said premises shall be connected to the Company's distribution system, take from the Company a constant supply of energy for a period of not less than two years for any or all the purposes for which the Company is authorised to supply energy to other consumers under the said licence.

And whereas the said premises are not within the supply of any other licensee under the Indian Electricity Act, 1910 (IX of 1910).

Now, therefore, in exercise of the powers conferred by section 27 of the Indian Electricity Act, 1910 (IX of 1910), the Government of Bombay is pleased to authorise the Company to supply energy to the Consumer at the said premises, which are outside the area of supply as specified in the Dharwar Electric Licence, 1926, and for that purpose to lay down or place electric supply lines, subject always to the provisions of the said Act, the rules made thereunder and the terms and conditions of the said licence, as if the said supply were made within the area of supply specified in the said Licence.

Dated the 2nd day of August 1950.

By order of the Governor of Bombay,

G. V. BEDEKAR,
Secretary to Government.
